Until Lensfx has invoiced the reproduction fee neither party is committed to grant or acquire any reproduction rights in any picture. After a fee has been agreed and an invoice issued there is a firm and binding contract whereby Lensfx is committed to grant reproduction rights and the Client to acquire them. If after such invoicing but before payment the Client requests cancellation of the reproduction rights Lensfx may in its discretion cancel subject to the Client paying a cancellation fee as laid out in the Booking Photographic Services section above.

The Client's right to reproduce a picture arises only when Lensfx's invoice relating to the grant of such right is fully paid (including interest charges levied on late payment of the invoice or invoices). Any reproduction before payment of the invoice constitutes an infringement of rights and a breach of this Agreement entitling Lensfx to rescind the Agreement and rendering the Client liable for the payment of damages.

CLIENT RESPONSIBILITY

While Lensfx takes all reasonable care in the performance of this agreement generally, it shall not be liable for any loss or damage suffered by the Client or by any third party arising from use or reproduction of any picture or its caption.

The Client agrees to indemnify Lensfx in respect of any claims or damages or any costs arising in any manner from the reproduction without proper reproduction rights of any picture supplied to the Client by Lensfx.

It is the Client who must satisfy himself that all necessary rights, model releases or consents which may be required for reproduction, are obtained and it is acknowledged that Lensfx gives no warranty or undertaking that any such rights, model releases or consents have or will be obtained whether in relation to the use of names, people, trademarks, registered or copyright designs or works of art depicted in any picture. In the event that the picture issued or reproduced by or with the authority of the Client then the Client shall indemnify Lensfx against any loss or damage, proceedings or costs where such rights, releases or consents have not been obtained.

ORIGINALS HELD BY CLIENT:

Risk in and responsibility for any digital images, original transparencies, print or album products passes to the client from the time they are received until their safe return. The client shall immediately inform Lensfx in writing of any loss or misuse of, or damage to the pictures while in the Client's possession or that of any third party. If a picture is not returned within four weeks of the date for return then Lensfx may in its sole discretion presume it to be lost.

The Client shall be liable to pay compensation to Lensfx in respect of each picture lost or damaged. Payment of compensation does not give rise to any rights in any picture. Compensation levels for the pictures are available from Lensfx upon request. These levels are a genuine pre-estimate of the loss which would be suffered if such a picture were to be lost or damaged. The Client is urged to request these figures and to take out insurance cover to cover the total value of the pictures delivered.
